Sponsorship Opportunities

Dear Colleagues and Members of the Trade

We are very excited to bring you ESMO Summit Africa 2019! This will be held once again at the Century City Conference Centre from 15th - 17th February 2019.

The event will be co-chaired by Andrés Cervantes, ESMO Educational Committee Chair, as well as by local co-chairs, Hannah Simonds, (SASCRO) Georgia Demetriou, (SASMO) and Daniel Vorobiof.

The Summit will bring 13 international speakers from ESMO, as well as several high profile local speakers.

Topics to be covered in this summit will include:

- breast cancer
- palliative care
- development in systemic therapies
- development in radiotherapy (focus on CNS and Paediatrics)
- lung cancer and mesothelioma
- soft tissue sarcoma
- haematology malignancies
- urological cancers
- upper GI cancers

In addition to the summit sessions, 3 small half day workshops will be held on the morning of the 15th February. The workshops will focus on Advanced Breast Cancer, Palliative Care and Advanced Prostate Cancer and will look at current ESMO guidelines and their place as well as challenges to implementation in Africa. Each workshop will comprise approximately 20 delegates (by invitation only). Each workshop will also present a feed-back session in the main meeting.

We hope that local Trade will come out strongly in support of this meeting once again. We believe it is an important academic meeting, supported by our international partner, and aimed at continuous improvement of Oncology services in our country and our continent.

Kind regards,

Hannah, Georgia and Daniel.

**Century City Conference Centre
Cape Town, South Africa**

Important information:

Please note that no shell scheme is provided for exhibition stands. It is space only (as per each package).

A plug point, table and 2 chairs are included in each package. Should you require additional power or a distribution board or 3 phase power, this will need to be communicated to us in order for the organisers to supply you with a quote.

Setup will take place on 14 February 2019 (full day) from 08h30 – 21h00 only. All contractors must be off-site by 21h00 on 14 February 2019.

NOTE: Should your stand builder need to work after 21h00, this will require overtime by the Health and Safety officer, the Medical Officer as well as the Conference Centre Staff. These costs will be borne by the contractor and NOT ESMO and the Conference organiser.

Final cleaning only of the stand may be done between 07h00 – 09h30 on 15 February.

All stands to be fully set up and functional by 11h00 on 15 February as registration opens at 12h30.

Breakdown will take place from 14h00 on Sunday 17 February 2019 (not before this time).

Cleaning: only light cleaning of walk ways will be provided by the venue. Cleaning of the stand, as well as the area surrounding the stand after setup and after break down, (including removal of all rubble and packaging - large and small, is the responsibility of your stand builder. Should your area not be cleared 100%, the undersigned company will be held liable for the cost of doing so.

Please also note that **absolutely no sanding** of any kind is permitted inside the building. Light sanding can be done in the loading zone outside and the completed stand brought inside. Should a stand builder be found to be doing any sanding inside, they will be asked to vacate the premises immediately and will not be allowed to return.

Damage: Any damage caused by the stand builder will need to be repaired by the venue and the cost, as quoted by the Century City Conference Centre, will be for the account of the under signed company.
